

Dianella caerulea 'DBB03'
CASSA BLUE®

**AVAILABLE TO LICENCED OZBREED
 GROWERS ONLY**

Cassa Blue has a compact, clumping habit with stunning blue foliage. It's the perfect size and compact shape for commercial and residential landscapes. Cassa Blue is one of the longest flowering Dianellas, with purple and yellow flowers sitting above the foliage from September. During the cooler months Cassa Blue offers great winter colour with cool blue tones intensifying in the cold.

Cassa Blue is a popular variety that has proven to perform well in windy coastal conditions. Tolerating drought and cold conditions, Cassa Blue is suited for garden and specimen planting.

HIGHLIGHTS:

- Beautiful blue, blade-like foliage
- Masses of purple & yellow flowers
- Purple berries follow flowers
- Tolerates drought, heat, cold and frost
- Prefers free draining soil
- Great colour contrast, accent plant
